COMPANY NAME AS SHOWN ON LABEL:

ADDRESS:

Telephone:

Fax:

Title:

(required should a refund be necessary):

SIGNATURE:

AP Antimicrobial Pesticide

Check this column if the product is an antimicrobial pesticide, i.e., a product intended to disinfect, sanitize, reduce, or mitigate growth of microbiological organisms.

Class	Class (Pesticides)
--------------	--------------------

Indicate class of product. GEN = General Use Pesticide or RUP = Restricted Use Pesticide

ABN Additional Brand Name

An ABN is defined as a product with the same company name on the label, same EPA number, and the same pesticidal claims as a product currently registered. Check this column if the product meets all ABN requirements.

Fee:

A: Number of new products listed above:

B: Number of ABNs (Additional Brand Names):

C. Subtract line B from line A:

D: Product registration fee (Antimicrobial Products \$150; All Other Products \$210):

E: Subtotal:

F: Total Amount Enclosed

	Antimicrobials	Pesticides
